This database is an indexed collection of World War II U.S. draft cards from the Fourth Registration, the only registration currently available to the public (the other registrations are not available due to privacy laws). The Fourth Registration, often referred to as the "old man's registration", was conducted on 27 April 1942 and registered men who born on or between 28 April 1877 and 16 February 1897 - men who were between 45 and 64 years old - and who were not already in the military.
